Registration

Your practice has not yet been moved to the new website.

When we are ready to move you over, after you login you will be prompted to switch to the new site.

If you are prompted with the above message, you have put in the Practice ID incorrectly and should try again.

Your **Patient ID** is the second 10 digit number noted on your registration form, followed by your **Registration Token**.

DO NOT use any of the National Registration Information

The screenshot shows a website header with a heart icon, 'patient services', 'Login', and 'Register' links. Below the header is a blue bar with the word 'Registration'. The main content area is titled 'Create your account' and 'Registration Details'. It includes a note: 'You must collect a letter from your surgery before you can register for this service.' There are three input fields: 'Practice ID' (containing 'Z00382'), 'Patient ID', and 'Registration Token'. A note below the fields says: 'Please enter the following details as provided on your registration letter.'

Your registration token only last a few weeks from the date you received it from reception.

It is important you register before the expiry date noted. If you are unable to register before this date, please return to reception and request a new registration form.

Account Details

Select a username to use the service. As it's a national system you may have to vary your request or include numbers to find a free username.

This notification has been sent to the email address associated with your Patient Services online account.
This email message was auto-generated. Please do not respond.

✓ Your email has been successfully verified.

Please login to access your services.

Login

Once your email has been verified you will be given this message on screen.

Now login to your new Vision Online Services account.

Activating your account

Once you have logged into your account you will see the prompt.

Welcome

⚠ You have not yet activated your practice account. [Activate here!](#)

The 3rd email will contain this activation code. Open your email and either copy and paste the code or write it down to be transferred over. *(Please ensure to keep the code in capitals)*

If you have not received this activation code please contact Meadowbridge Surgery on 02893 353454.

Once you have entered the code successfully you will be given this message. You are now able to order your prescriptions online.

Ordering Prescriptions

To order a prescription, select prescriptions on the top blue bar. You will be displayed the page below.

- Available requests will show all medications available for you to order online.
- Past prescriptions will show items that you have had in the last few months but cannot order.

Some items you order regularly may not show, this is because they need to be reapproved by the GP. All medications are reapproved at some point over the year. These medications can still be ordered via the text box at the bottom of the screen for additional notes.

(DO NOT use this text box for symptoms based issues)

Once you have selected your medications and submitted the request you will be given a confirmation message advising it has been sent to the chemist.
