Network Action for Children**

How does it all work?

You can complete a referral from yourself or, with your permission, this can be completed by someone else, such as your GP, health visitor, child's school or local community group. Our service co-ordinator will receive your referral form and one of our Family Support Workers may contact you for more information prior to the next hub meeting in your area.

We will present your referral at the Hub meeting. Only relevant information will be shared outlining your needs in order to identify the most appropriate service for you

PRESCRIPTION ORDERING

You can now order prescriptions on line at Meadowbridge.surgery.co.uk
Registration at reception with photographic ID is required. You can also leave a copy of your ID with your local chemist.

The phone prescription line currently opens from 11.00am to 12.30pm and 2.30pm to 4.30pm with opening times reducing over the next months.

From January 2018 the practice will no longer accept telephone prescription orders.

Prescription ordering will then only be taken via the practice website, reception, post/fax or through your local chemist.
