

# Flu Vaccination - 2020-21

## Meadowbridge Surgery Practice Flu Plan

This year we have to factor social distancing into our **Flu Clinic Schedules** and this will be achieved through the introducing of a new system **to ensure we keep everyone safe.**

There ***will not*** be any **drop-in flu clinics** and eligible patients will be contacted and asked to pre-book appointment slots soon.

For further updates visit [meadowbridgesurgery.co.uk](http://meadowbridgesurgery.co.uk)

## **Pre-bookable appointments**

- Appointments will be available to pre-book from mid-September and will be for appointments between the times of 9.00am and 12:30pm on Monday to Fridays from the beginning of October 2020 approximately depending on delivery of stock.
- To adhere to social distancing and infection control measures, eligible patient from any household will be asked to book individual appointment slots and are asked to strictly adhere to appointment times. This will allow a smooth running service and ensure minimum footfall avoiding large queues of people.
- Anyone arriving should be appropriately dressed to enable easy access to their arm in support of quick turnaround of appointments.
- It will be compulsory for patients to wear their own face coverings/ mask to be able to receive their flu vaccination. Adults will not be able to be accompanied into the building.
- Flu Vaccine consent information will be available to read on our website prior to attendance.
